

MEN'S WELLBEING MATTERS

Men's wellbeing matters just as much as anyone else's and yet, men often don't reach out when facing difficult emotions. We want to encourage men (aged 16+) in Surrey to seek support and share their mental health stories to inspire others and break stigma.

How you can get involved:

- if you're 16+, live in Surrey and need wellbeing support, register with us.
- if you know a man who is struggling, tell them about us.
- share your mental health journey with us as a blog, vlog, poem, song, artwork - you name it!
