

# PAPER, PRINT AND PAINT

This 4-week course is a sensory and immersive class that is both soothing and absorbing. Learn to make your own paper from recycled paper. When the paper is ready, you'll learn how to prepare a linocut for printing which you will then use to transfer onto your paper. Finally, you'll also get the opportunity to spend a session painting onto the paper.

No experience needed! just come along and enjoy the company while you learn a new skill.
